PATENT

This Information Disclosure Statement is being filed after the events cited in Section 1.97(b), but to the undersigned's knowledge, before the mailing date of either a Final Action or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97 (c) this IDS is accompanied by a fee in the amount of \$180.00 as specified by Section 1.17(p).

Japanese Publication No. JP-A-3/82601, which is discussed on page 2 of the instant specification, corresponds to JP Application No. 01-219438 (JP 89219438). A corresponding English abstract is enclosed.

FR 2,720,977, which is discussed on page 18 of the instant specification, corresponds to US 5,836,366. An English abstract is associated with French language WO 99/28376, which is discussed on page 8 of the instant specification.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitutes "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited document(s) do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If any additional fee is required in connection with the submission of this paper, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees,
